

Northwestern

Music and Medicine Program presents:

Musical Museum

“Deep Calm”

Musical Museum is a concert series with discussion for individuals with neurocognitive disorders and their family members.

Informed by research and programmed by clinicians, we aim to provide a safe and stimulating environment to maintain and enhance the opportunity for social engagement.

We look forward to seeing you there!

Clara Takarabe, Viola; Ellen Frolichstein, Cello
Borna Bonakdarpour, Piano

Tuesday, June 28, 2022
